

1900 To The Present: New German Historical Perspectives

A Landmark Publication for Understanding Modern Germany

This comprehensive and groundbreaking work by a team of leading German historians offers a fresh perspective on the history of Germany from 1900 to the present. A must-read for anyone interested in modern German history.

A New Look at Modern Germany

For decades, the history of Germany from 1900 to the present has been dominated by a single narrative: the rise and fall of the Nazi regime. While this period is undoubtedly one of the most important in German history, it is far from the whole story. In recent years, a new generation of German historians has emerged, offering a fresh perspective on this period, one that is more nuanced and inclusive.
