About the Conference

The 5th International Conference on Weigh-in-Motion of Heavy Vehicles (ISTe 339) is a leading forum for the exchange of scientific knowledge and practical experience on weigh-in-motion technology. The conference will be held from June 12-14, 2023, in Lisbon, Portugal.

The conference will bring together experts from around the world to discuss the latest developments in weigh-in-motion technology, including:

- New Weigh-in-Motion technologies
- Applications of Weigh-in-Motion technology
- Data analysis and management
- Policy and regulations

The conference will also feature a number of special events, including a keynote address by a leading expert in the field of weigh-in-motion technology, a poster session, and a technical exhibition.

Who Should Attend

The conference is intended for a wide range of professionals involved in the field of weigh-in-motion technology, including:

- Researchers
- Engineers
- Policy makers
- Operators
- Vendors

Call for Papers

The conference organizers are inviting submissions of abstracts for papers on all aspects of weigh-in-motion technology. Abstracts should be submitted by February 28, 2023.

Registration

Registration for the conference is now open. The early registration deadline is April 30, 2023.

Location

The conference will be held at the Convento do Beato in Lisbon, Portugal.

Accommodation

A number of hotels are located near the conference venue. A list of recommended hotels can be found on the conference website.

Contact Information

For more information about the conference, please contact the conference organizers at iste339@tecnico.ulisboa.pt.
