I, Mittens, am a polydactyl cat with 25 toes. I was born in a barn in rural Wisconsin, and my early life was spent hunting mice and playing with my siblings. But my life changed forever when I was adopted by a kind-hearted woman named Karen. Karen took me to her home in the city, and I quickly became a social media sensation.

People were fascinated by my extra toes, and I soon had thousands of followers on Instagram. I've been featured in magazines and newspapers, and I've even appeared on television. I've met celebrities, traveled the world, and inspired people from all walks of life.

But I'm more than just a cat with extra toes. I'm a symbol of hope and inspiration. I show people that it's okay to be different. I'm proof that anything is possible if you set your mind to it.

In this book, I'll share my story with you. I'll tell you about my humble beginnings, my rise to internet stardom, and the lessons I've learned along the way. I hope my story will make you smile, laugh, and remind you of the special bond between humans and animals.
