As she digs deeper into the case, she uncovers a web of lies, corruption, and long-held grudges. The town's inhabitants are all hiding something, and Sarah soon realizes that the killer may be closer than she thinks.

As the investigation progresses, Sarah finds herself drawn to the enigmatic Father Michael, the town's priest. Michael seems to know more about the murder than he's letting on, and he becomes increasingly involved in the case. But can Sarah trust him? Or is he hiding a dark secret of his own?

With each new revelation, Sarah gets closer to the truth. But the closer she gets, the more she realizes that the darkness that surrounds her is not just a product of the town's past.
