

Educated by Tara Westover: A Memoir of Self-Discovery and Triumph

Educated by Tara Westover is a memoir that tells the story of the author's journey from a secluded and fundamentalist upbringing to a PhD from

Cambridge University. It is a story of resilience, determination, and the power of education to transform lives.

Westover was born in 1986 to survivalist parents who lived in a remote cabin in the mountains of Idaho. Her father was a self-taught herbalist who believed that the end of the world was imminent. Her mother was a devout Christian who homeschooled her children and forbade them from attending school or seeing doctors.

Despite her isolated upbringing, Westover was a curious and intelligent child. She taught herself to read at the age of six and devoured books on a wide range of subjects. However, her parents' beliefs limited her access to formal education, and she did not attend school until she was seventeen.

When Westover finally left home, she was determined to make a better life for herself. She enrolled in Brigham Young University and excelled in her

studies. She went on to earn a PhD from Cambridge University and is now a professor of history at the University of Texas at Austin.

Educated is a powerful memoir that tells the story of a young woman who overcame adversity to achieve her dreams. It is a story of resilience, determination, and the power of education to transform lives.
