By Darnell L. Moore

In a world where race is often seen as a source of division and conflict, Darnell L. Moore offers a powerful and thought-provoking book that challenges the status quo and offers a new way to think about race.

Getting Real About Race is a must-read for anyone who wants to understand the complex issue of race and its impact on our society. Moore writes with passion and clarity, sharing his personal experiences and insights to help readers see the world from a different perspective.

This book is not just about pointing out the problems of racism. It is also about offering solutions. Moore provides practical advice on how to talk about race in a constructive way, how to build bridges between different races, and how to create a more just and equitable society.

Getting Real About Race is a timely and important book that has the power to change the way we think about race. It is a must-read for anyone who is committed to creating a more just and equitable world.
