

Road Unforeseen: Women Fight the Islamic State

In 2014, the Islamic State (ISIS) swept across Iraq and Syria, seizing vast swaths of territory and imposing a reign of terror upon the people living under its control. Women and girls were particularly targeted by ISIS, who subjected them to sexual violence, forced marriage, and other forms of abuse. But even in the face of such unspeakable horrors, a group of brave women rose up to fight back.
