About the Book

The History of Optare is the definitive account of one of Britain's most successful bus manufacturers. From its humble beginnings in a small garage in Leeds, Optare has grown to become a global leader in the design and production of buses.

This book chronicles the company's remarkable journey, from its early days as a specialist coachbuilder to its rise as a major player in the bus industry. Along the way, it tells the stories of the people who have made Optare what it is today, and explores the company's innovations and achievements.

Whether you're a bus enthusiast, a transport historian, or simply someone who is interested in the story of a British success story, **The History of Optare** is a must-read.
