In a world where war has become increasingly privatized, a new breed of soldier has emerged: the private military contractor (PMC). These highly trained and well-equipped mercenaries are hired by governments and corporations to carry out a wide range of missions, from охрана to combat operations.

In *The New Dogs Of War*, acclaimed author Tom Clancy explores the dark and dangerous world of PMCs. The novel follows a group of mercenaries as they are hired to overthrow a corrupt government in a small African nation. But when the mission goes awry, the mercenaries find themselves fighting for their lives against a ruthless enemy.

The New Dogs Of War is a thrilling and thought-provoking novel that raises important questions about the role of PMCs in the modern world. Clancy's

gripping storytelling and insider knowledge of the military make this a must-read for fans of military fiction and thrillers.
