## Chapter 2: Operation Frantic and the Secret Flights

Despite diplomatic constraints, the United States embarked on a daring covert operation codenamed "Frantic." American aircraft secretly flew over enemy territory, delivering supplies and weapons to the beleaguered Polish rebels. These risky missions involved perilous journeys and faced fierce anti-aircraft fire from German forces.

### **Chapter 3: Diplomatic Maneuvers and the Yalta Conference**

As the Warsaw Uprising continued, the Yalta Conference brought together the leaders of the United States, Great Britain, and the Soviet Union. ### **Chapter 4: The Bitter Aftermath and the Division of Europe**

Despite the valiant efforts of the Warsaw insurgents and the limited American aid they received, the uprising was ultimately crushed by the overwhelming force of the German army.
