America is in a crisis. Our nation is facing a moral decline, a loss of faith, and a growing division. We are a nation that has turned away from God, and we are reaping the consequences.

But it's not too late. We can still turn things around. We can still repent of our sins and return to the principles that made this nation great.

In his powerful new book, *Wake Up America: It's Time to Repent!*, author John Smith calls us to do just that. He shows us how we have strayed from the path of righteousness, and he offers us a roadmap for returning to God.

Smith begins by reminding us of the importance of repentance. He shows us how repentance is not just about feeling sorry for our sins, but about turning away from them and turning towards God.

Once we have repented, we can begin to rebuild our relationship with God. Smith shows us how to do this through prayer, fasting, and humility.

Prayer is a powerful way to connect with God. When we pray, we are opening our hearts to Him and allowing Him to speak to us. Fasting is a way to humble ourselves before God and to focus our hearts on Him. Humility is an essential ingredient for repentance. When we are humble, we are acknowledging our own sinfulness and our need for God's forgiveness.

As we repent and return to God, we will begin to see a change in our lives. We will be filled with joy and peace, and we will have a renewed sense of purpose. We will also be a light to the world, showing others the way to God.

Wake Up America: It's Time to Repent! is a powerful and timely book that can help us to turn our lives and our nation around. If you are ready to repent and return to God, I encourage you to read this book.
